WHERE LEADERS
ARE MADE

OUR MISSION

to help
you shape
your future

Since 1924, Toastmasters International has helped millions of men and women become more confident in front of an audience. Our network of clubs and their learn-by-doing program are sure to help you become a better speaker and leader. Why pay thousands of dollars for a seminar when you can join a Toastmasters club for a fraction of the cost and have fun in the process?

BETTER COMMUNICATION

Your best ideas deserve your best words.

By learning to effectively formulate, express and sell your ideas to others, you open a whole new world of career possibilities. You'll be more persuasive and confident when giving presentations. You'll even improve your one-on-one interactions with others. Want to be better at negotiating your salary with your boss? Networking at business functions? Pitching prospective clients? Motivating coworkers – or your kids?

Toastmasters can help!

Even experienced speakers can benefit from our proven training programs. In a Toastmasters club, you'll learn to relax, plan and present a terrific speech – whether you have 10 days to prepare or just 10 seconds. You'll learn to listen effectively, think on your feet and speak confidently in a wide range of situations. Best of all, you'll practice in a friendly, supportive environment with people who are there for the same reasons you are – to become better communicators and leaders.

CREATING LEADERS

Good leaders are good communicators.

Leadership is the art of persuading others to do what you wish to be done. To do so, you need to communicate and you need to work as a team. In a Toastmasters club, you'll do both; and you'll find out how to vary your approach to suit the needs of different people, whether they're the audience for a speech or the committee for a fundraiser. Whatever goals you wish to achieve in life, they will be realized quicker and easier by improving your ability to lead.

What's in it for you?

Confident, charismatic leaders weren't born that way. In Toastmasters you'll gain the practice to become the leader and speaker you want to be. Become a better negotiator. Gain trust. Sharpen your management skills. Inspire your team. Be decisive!
